Match Tiebreaks are to be played when the first two sets are split. (First to ten, win by two.) When entering Match Tiebreaks on the scorecard, enter as 1-0 for the winner.

You cannot enter scores the usual way. To enter scores, go to <http://national.usta.com>. Log in with your USTA number. Then click on "Championship" (not "Score Entry".) When the Championship page comes up, look for the link on the bottom "Championship Score Entry."

Use the match numbers that appear in the above Playoff Schedule.
